This is a state-of-the-art eLearning LMS offering scaffolded/ chunked learning, interactive questions, gamification badges, forums and electronic assignments.

Contact me for further details and a trial.

e LIVEWIRE v1.0

Go to <http://my.livewirelearning.co.nz>

Then

a. Click on the *Create Your Profile* button to create a profile for yourself. Do NOT use the subject code as part of your login profile - it will not take you into that subject from there and will be difficult to remember.

You will then be taken to the CHOOSE A SUBJECT page.

b. Click on the general subject, e.g. **English** and then level of your choice, e.g. NCEA Level 1

c. Click on the link ([click here to install](#))

d. Copy and paste, or type in, the corresponding subject specific 5 day licence code - see below:

English:

Years 7 - 8 – VJCYVVSGXJ (10 days)

Years 9 - 10 – DHDXTXACWO (10 days)

NCEA Level 1 – ZXCMTUGSZZ (10 days)

NCEA Level 2 – GSSFSSZZILO (10 days)

e. Then click REGISTER.

You will be taken back to the CHOOSE A SUBJECT page again.

f. Click on the general subject, e.g. **English** and then the actual subject you are now licensed to use

g. Read the instructions or on the left hand grey panel, then click the subject name - 'Click Here' until you see the folders. (Each of these contains the module titles.) Click on any of these then

h. Click on a module title in the LEARNING MODULE column and begin. Answer 10 questions and view your summary score. Check your progress 'speedo' under the RESULTS link.

Dear Head of English

As one of the early leaders in eLearning in New Zealand, we are committed to producing affordable, innovative, and high quality resources that will make your life easier and help your students become confident, self-directed learners.

Our Product Options

1. eLivewire (Pro) v2.0

We are pleased to announce the launch of our next generation interactive version – Livewire 2.0 – and our first course: **Arranging Words on Line**

Please contact me for a free trial

We will add online writeable versions of the successful **AS1.3** and **AS 2.3 Unfamiliar Text** workbooks to this platform over the holidays.

Key Features:

- a new and colourful interface; chunked and sequential learning sections with audio commentary, easy navigation features; self-marking questions and explanations; gamification and scoring; electronic based assignments; reporting functionality; forums and video conferencing.

2. eLivewire (Lite) v1.0

Our main interactive website provides comprehensive teaching and learning material with thousands of self-marking questions in English. Our questions, written by NZ teachers, are graded at Achieved, Merit and Excellence for senior subjects. The easy-to-use admin suite enables you to assign and track progress.

New subject: ESOL provides graded reading passages with sound files, grammar and vocabulary exercises to help your international students.

3. Write-on Workbooks that can be integrated with our online material.

a. **Arranging Words** and **Working with Words** offer detailed notes, write-on exercises and links to interactive exercises on eLivewire 1 or 2. These resources are useful for Years 9-11 students.

b. **Unfamiliar Text work books for AS 1.3 and 2.3** can be used as standalone resources or linked to either of our eLivewire platforms.

4. Google doc versions of AS 1.3 and 2.3 are available for Google Classroom.

Our inter-related resources and prices (see below) make Livewire Learning a very affordable, flexible, self-marking Year 9-12 English homework program.

1. SITE LICENCE PRICE for eLivewire v1.0

Normally each subject costs \$11.50 per student per subject (gst inc).

Decile 8-10 schools		
Numbers	Prices per student \$	Cost \$
001-200	9.00	1800
201+	7.50	1500+
Decile 5-7 schools		
001-200	6.00	1200
201+	4.50	900+
Decile 1-4 schools		
001-200	4.00	800
201+	3.00	600+

Combining subjects:

The Maths and English subjects, at any level, can be combined. At Year 11 Science and Accounting can also be added to this. For example, a decile 3 school with only 100 students at Year 11 could combine English, Mathematics, Science and Accounting. This would equate to 200+ students and so the school would qualify for the \$3.00 per student per subject price.

2. SITE LICENCE PRICE for eLivewire v2.0

\$15 per student for access to all courses as they become available

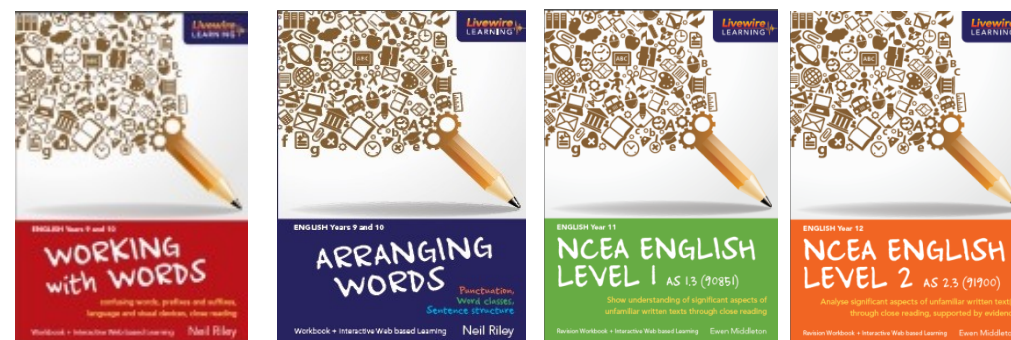

3. WORKBOOKS

Subject	Hard copy price	Google docs/writeable pdfs* per student
English		
Arranging Words	\$17.95	\$2
Teacher's Answers Book	\$17.95
